Executive Summary

This report presents a comprehensive customer segmentation analysis of our e-commerce retail business using RFM (Recency, Frequency, Monetary) methodology. The analysis segmented 4,340 unique customers into distinct behavioral groups.

KEY INSIGHTS:

- * Champions (948 customers) generate PKR 7,484,858.15 in revenue, accounting for 70.3% of total revenue.
- * The 'Others' segment represents the largest customer group (2672 customers).
- * At-Risk and Can't Lose segments (249 customers) represent PKR 444,542.16 in potential revenue at risk of churn.
- * Loyal customers (242) contribute PKR 756,916.40 in revenue.

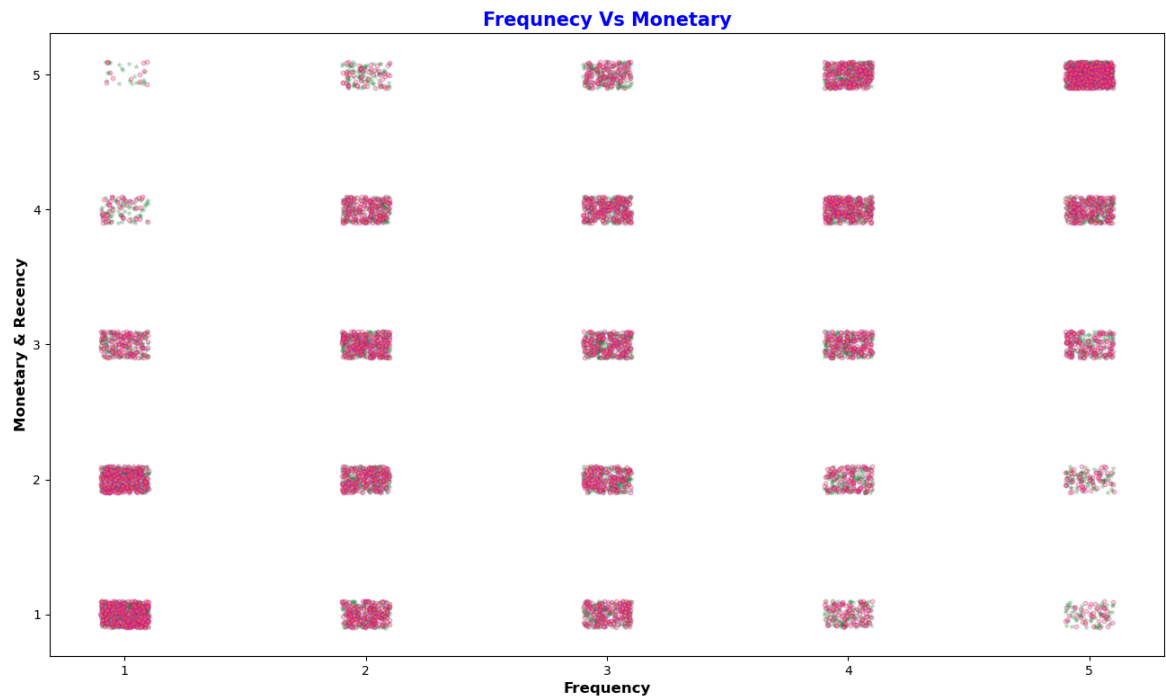

RECOMMENDATIONS:

1. Focus retention efforts on At-Risk and Can't Lose segments
2. Implement VIP programs for Champions to maintain loyalty
3. Develop strategies to convert Loyal customers to Champions
4. Create targeted re-engagement campaigns for inactive customers

Segment Statistics

Segment	Customers	Total Revenue (PKR)	Avg Revenue (PKR)
others	2,672	PKR 1,902,569.49	PKR 712.04
Champions	948	PKR 7,484,858.15	PKR 7,895.42
Loyal	242	PKR 756,916.40	PKR 3,127.75
New	229	PKR 55,674.22	PKR 243.12
At-Risk	174	PKR 391,692.54	PKR 2,251.11
Can't loss	75	PKR 52,849.62	PKR 704.66

Revenue Analysis by Segment

Key Business Insights

Champions: The Revenue Drivers

Champions represent only 948 customers but generate PKR 7,484,858.15 in revenue, accounting for 70.3% of total business.

At-Risk: The Retention Opportunity

At-Risk and Can't Lose segments (249 customers) represent PKR 444,542.16 in revenue at risk of churn. Immediate retention efforts are recommended.

Revenue Concentration

Top 2 segments (Champions + Loyal) with 1,190 customers generate 77.4% of total revenue, indicating significant revenue concentration.

Strategic Recommendations

1. Retain At-Risk Customers

- Launch 'We Miss You' campaigns with personalized offers
- Conduct exit surveys to understand reasons for disengagement
- Provide exclusive discounts for their next purchase

2. Reward Champions

- Implement VIP loyalty program with tiered benefits
- Provide early access to new products
- Offer exclusive discounts and free shipping

3. Grow Loyal Customers

- Incentivize more frequent purchases with rewards
- Create a path to 'Champion' status
- Send personalized product recommendations

4. Engage New Customers

- Welcome email series with onboarding offers
- Encourage repeat purchases with first-purchase discounts
- Collect feedback to improve customer experience
